What are you waiting for, nobody's gonna show you how Why wait for someone else to do what you can do right now

Got no boundaries and no limits If there's excitement, put me in it If it's against the law, arrest me If you can handle it, undress me

Don't stop me now, don't need to catch my breath I can go on and on and on When the lights go down and there's no one left I can go on and on and on

Give it to me, yeah No one's gonna show me how Give it to me, yeah No one's gonna stop me now

They say that a good thing never lasts and then it has to fall Those are the the people that did not amount to much at all

Give me then bass line and I'll shake it Give me a record and I'll break it There's no beginning and no ending Give me a chance to go and I'll take it

Don't stop me now, don't need to catch my breath I can go on and on and on When the lights go down and there's no one left I can go on and on and on

Give it to me, yeah No one's gonna show me how Give it to me, yeah No one's gonna stop me now
