

# Cute Is What We Aim For, Teasing To Please (Left Side)

And so typically  
And so typically  
Soft, set back and perfectly dropped  
Tough and learn, and so perfectly taught  
I am as he does  
You are as she was  
And that's because  
And that's because  
But you never try  
But you never try  
Cause conflict and make your top pick  
Restitch my ripped jeans  
And take the old ones  
Take the old ones out back  
Sew them tight at the seams please  
I've got so many ripped knees, ripped knees

I'm selfish as selfish comes  
You're giving me a run for my money  
Honey

This is a hint that you take  
And you pull and you find a way out of what you got yourself into  
But when you try  
But when you try to get out you'll never find  
That most definitely I will be attracted to you  
If you pick my left side  
Because you know how we do, we do

I'm selfish as selfish comes  
You're giving me a run for my money  
Honey

Cause conflict and make your top pick  
Restitch my ripped jeans  
And take the old ones  
Take the old ones out back  
Sew them tight at the seams please  
I've got so many ripped knees, ripped knees

I'm selfish as selfish comes  
You're giving me a run for my money  
I'm selfish as selfish comes  
You're giving me a run for my money  
Honey  
I'm selfish as selfish comes  
You're giving me a run for my money
