

# Cutting Crew, Need Someone

Eede/MacMichael

You say you feel all alone tonight  
Just pick up the phone and call  
You say that you don't need anybody  
So there's nobody takin' you home

Whenever you need someone  
Whenever the time feels right  
Whenever you need someone  
You call on me, you call on me  
('cos I ain't going nowhere)

You got so much to give out to the world  
But you're keepin' it all inside  
You got more money than you got sense  
So you gamble away your life

You've been out to the end of the line  
There's not enough love in your world

Whenever you need someone  
Whenever the time feels right  
Whenever you need someone  
You call on me, just call on me  
Whenever you need someone  
Remember the tide can turn  
And you're gonna need someone  
So call on me, call on me, let it be me, call on me

You've been out to the end of the line  
There's not enough love in your world
