

# Cyclefly, Panic

## Verse 1

You're selling it in pieces,  
You're trying too hard not to see it.  
Wide eyes stare out at you,  
You hold it and grow it and just for a moment you show it,  
Wide eyes stare out at you

## Chorus

I wanted it, I needed, I had to believe it.  
I wanted it, I needed, I had to believe it.

## Verse 2

You're selling it to me and I'm trying hard not to see.  
Wide eyes stare out at me.

You hold it and grow it and just for a moment you blow it.  
Wide eyes stare out at me.

## Chorus

I wanted it, I needed, I had to believe it.  
I wanted it, I needed, I had to believe it.  
Wide eyes stare out at you.  
Wide eyes stare out at you.  
I wanted it, I needed, I had to believe it.  
I wanted it, I needed, I had to believe it, believe it.  
Believe it

(repeat to end)
