

CYDO, Extatsy REMIX

Tangled up in my body
Love on me the ecstasy
Got you caught up in my happenings
Caught up in my love strings
Tangled up in my body
Love on me the ecstasy
Got you caught up in my happenings
Caught up in my love strings

Moving states like mental mapping
Fucking hoes out on the atlas
Hit you back when mind and heart is in attraction
Pray they stay attacking
Know I like it, and I love it
Got me sipping on the bubbly
Just wait
To the lobby, to the bedroom
To the birthday, to the cake
Ok

You get what you want
Bitch you don't complain
You get steak and sea
Cos that pussy like a lake
Swimming in my fate
Feeling love and hate
Fucking on the late
Bitch what did you say

Tangled up in my body
Love on me the ecstasy
Got you caught up in my happenings
Caught up in my love strings
Tangled up in my body
Love on me the ecstasy
Got you caught up in my happenings
Caught up in my love strings

I'm falling
I'm falling
I'm falling
I'm falling
