

Cyndi Lauper, Hot Gets A Little Cold

Heaven,
You say it could be heaven ...
But I don't really know ...
Lovers come and go ...
When hot gets a little cold.

Infatuation is just the great anticipation
Of starring in that picture show
Let's wait until the credits roll ...
When hot gets a little cold.

I could get carried away but not anymore ...
What was it I heard you say you love me 'cause I'm strong
I hope that you're not wrong.

Heaven, you say it could be heaven,
Well I don't really know ...
I'll try not to let it show
When hot gets a little cold ...
When hot gets a little cold ...
When hot gets a little cold ...
