

Cyndi Lauper, I Want A Mom To Last

I want a mom that will last forever
I want a mom to make it all better
I want a mom that will last forever
I want a mom who will love me whatever
I want a mom that'll take my hand
And make me feel like a holiday
A mom to tuck me in that night
and chase the monsters away
I want a mom that'll read me stories
And sing a lullybye
And if I have a bad dream to hold me when I cry
Oh,
I want a mom that will last forever
I want a mom to make it all better
I want a mom that will last forever
I want a mom that will love me whatever, forever
When she says to me, she will always be there
To watch and protect me I don't have to be scared
Oh, and when she says to me I will always love you
I won't need to worry 'cause I know that it's true
I want a mom when I get lonely
Who will take the time to play
A mom who can be a friend and a rainbow when it's gray
I want a mom to read me stories
And sing a lullaby
And if I have a bad dream, to hold me when I cry
Oh,
I want a mom that will last forever
I want a mom to make it all better
I want a mom that will last forever
I want a mom that will love me whatever, forever
I want a mom that will last forever
I want a mom to make it all better
I want a mom that will last forever
I want a mom that will love me whatever, forever
I want a mom
I want a mom
I want a mom that'll last forever
I want a mom that'll last forever
I want a mom
I want a mom
I want a mom that'll last forever
I want a mom
I want a mom that'll last forever
I want a mom that'll last forever
I want a mom...
