

Cyndi Lauper, Moments Like This

Moments like this don't last long
I lock them safe away
What good is it to say
I'll get along
Just like before
And I won't care
I won't care anymore
You called my name
The music played
And I'm not sure of myself anymore

I'm not so sure

Say you gotta know just what you're doin'
And don't you say that I could just be an illusion
And that's ok its alright baby you the feel
Love oh baby

After this night is through
After I'm wondering it it's you

Oh

I'll get along
Just like before
And I don't care
I won't care anymore
You called my name
The music played
And I'm not sure of myself anymore
I'm not so sure

Say you gotta know just what you're doin'
Don't you say that I could just be an illusion
And that's ok its alright maybe I'm the fool
Love oh baby

After this night is through
After I'm wondering it it's you

I'll get along
Just like before
Just like before
