

# Cyndi Lauper, What's Going On (J. Dupri Rnb Re

[P. Diddy]

What's Going On

[Jermaine Dupri]

Tell Me

P Diddy (Jermaine Dupri):

People Dying (Yeah)

People Crying (Uh-huh)

Lord help us (C'mon)

[Bono]

Mother, mother

There's too many of you crying

[Gwen Stefani]

Oh, brother, brother, brother

There's far too many of you dying

[Jermaine Dupri]

That's Right

[Aaron Lewis]

You know we've got to find a way

To bring some lovin' here today

[Nona Gaye]

Oh my father, father

We don't need to escalate

[Backstreet Boys]

You see war is not the answer

[Nona Gaye/Backstreet Boys]

For only love can conquer hate

[Christina Aguilera]

You know we've got to find a way

To bring some lovin' here today

[Britney Spears]

Barricades, can't block our way

[J-Lo]

Don't punish me with brutality

[Destiny's Child]

Talk to me

So you can see

[Destiny's Child/Britney Spears]

(First Chorus)

Oh what's going on

What's going on

Yeah what's going on

Ahh what's going on

[Ja Rule]

What's going on in a world filled with pain

Where's the love for which we pray

What's going on

When our children can't play

Homeless can't eat

There's got to be a better way

What's going on

When we politically blind

Can't see the signs of endangered times

What's going on

[Nelly Furtado]

Ah ah tell me

What's goin' on in the world today.

I'd rather be dead than to turn my head away

We got this first world vision too

Comfy to lift up our hands in the air

And cry for a switch

[Michael Stipe]

Father, father

[P. Diddy]

Father help us, come on

[Michael Stipe]  
Everybody thinks we're wrong  
[Alicia Keys]  
Oh, but who are they to judge us  
Together we can all be strong  
[P. Diddy]  
United we stand, Divided we fall  
[N'Sync]  
Oh you know we've got to find a way  
[Mary J. Blige]  
To bring some understanding here today  
[N'Sync]  
Barricades can't block our way  
[Darren Hayes]  
Don't punish me with brutality  
[N'Sync]  
Baby talk to me  
So you can see  
(Second chorus)  
Yeah, what's going on  
Hey, what's going on  
Somebody tell me what's going on  
I'll tell you what's goin' on-uh  
[Nelly]  
What's going on 'cross seas  
Every minute a child dies by this disease  
In record numbers indeed  
Got mamma's crying out please  
My baby hold on  
My child ain't done nothing wrong  
Still I want to holler  
Ask them why they don't bother  
Oh no, oh no  
Make me turn to my father  
And ask him why they all got a trapped soul  
[Nas]  
I can feel what was bothering Marvin  
Why his words forever remain  
Dealing with these modern day problems  
'Cause of ignorance surrounding me and my constituents  
Too many infected  
Too many lives diminishing  
Nobody say Protestants, Jews, Blacks, and Whites, Latinos and  
Asians  
Pray together  
Less fight  
We better unite  
As genocide chemical war  
And the rich and the poor  
Know that God delivers a cure  
[Eve]  
It's a shame our reality is devastating  
People praying for a cure  
Dying while they're waiting  
Ask the Lord for the comfort and strength to face it  
All the kids with dreams  
Won't get the chance to chase it  
Makes me sad  
Think about the lives they would've had  
Think about the orphan babies got no moms and dads  
How can we sit back and not try to make it right  
We gotta come together  
We gotta fight for life  
[Lil' Kim]  
Uh uh uh uh

See I come from the streets  
A world with racism and poverty  
It's hard to make peace  
Little girl with big dreams  
You don't have to settle  
We gone get out the ghetto  
We fight but still things ain't right  
Too many dying  
Lord knows I keep trying  
You don't know the pain I feel  
I miss you B.I.G.  
Let's find a cure for A.I.D.S  
Oh  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)  
Somebody tell me what's going on  
(what's going on)
