

Cynic Ridge, If I Runaway

"lyricsPeace and silence
War and Violence
Am I the one to shine the light?
Keep the sorrow
Hidden Tomorrow
How am I to ever learn from the past?

[When]
If I runaway
What am I to say
To the few that carry on
Life lived through me...

Seen a vision
Outside the prison
Of all this anger...
Change the pattern
That never mattered
Where do I find the strength
When all I need

Is to runaway
What am I to say
To the few that carry on
Life lived through me...

If I runaway
What am I to say
To the few that carry on
Life lived through me...
