

Cynthia, Dreamboy/Dreamgirl

I still remember the first time you said that you loved me
You held me in your arms and said you'd never, ever leave me
(You'd never, ever leave)
And all these promises you've kept
Have erased the passed when I once wept
You've made my fantasies come true
My heart belongs to you.

You're my dreamboy
You show me your love in every way
You're faithful to me every day
Now I know that dreams come true
You're my dreamboy

(Johnny O:)
My friends told me that I was lucky to have a girl like you
Cause all the girls I ever had, their love was never true
(their love was never true)
And you have brought me happiness
I'll treasure the day when we first met, yeah
Never, ever gonna let you go, because I love you so
You're my dreamgirl
You don't neglect me in any way
You make me feel special every day
Now I know that dreams come true

You're my dreamboy
You came and filled my heart with joy
And I can smile again
Cause I got the love that will never end

You say that I'm your dreamboy, that I fill your heart with joy
Well you're my dreamgirl, you're all I want in this world
You give me the love I need, I know we were meant to be
Talk to me.

When you hold me in your arms, I feel so safe and warm
When you look into my eyes, you have me hypnotized
You give me all your love, you're all I'm thinking of
You made my dreams come true, my heart belongs to you
