

# Cypress Hill, The Original

Untouchable

Before you could touch a made guy, you had to have a good reason  
You had to have a sitdown and you'd better get an okay  
Or you'd be the one to get whacked

All I smoke is OG, ridin' 'round low-key  
Higher than the nosebleeds, reppin' L.A., that's the home team  
L.A. original, gangsta, gangsta, gangsta  
All I smoke is OG, ridin' 'round low-key  
Higher than the nosebleeds, reppin' L.A., that's the home team  
L.A. original, gangsta, gangsta, gangsta

It's Senny Sosa, ridin' in the Roadster  
A brand you can trust like La Coka Nostra  
Boy, I thought I told ya, watch how you approach us  
Cypress hold it down for the coast like we supposed ta  
When I spot a vulture, put him on a poster  
"Have you seen the body?," said the pig, "I don't know, sir"  
I'm reppin' for the best coast, I'm reppin' for the hometown  
Where money, weed and bitches make the whole world go around  
When gangs pop up, it turn into a ghost town  
Where some call it Los Scandalous where it goes down  
I do it for my family, I do it for my day one  
When we meet up, best believe we gonna blaze one

All I smoke is OG, ridin' 'round low-key  
Higher than the nosebleeds, reppin' L.A., that's the home team  
L.A. original, gangsta, gangsta, gangsta  
All I smoke is OG, ridin' 'round low-key  
Higher than the nosebleeds, reppin' L.A., that's the home team  
L.A. original, gangsta, gangsta, gangsta

Murder was the only way that everybody stayed in line  
You got out of line, then you got whacked  
Everybody needed rules

It's the almighty Cypress, fuck if they don't like it  
I know my real ones gonna bounce to this hype shit  
We never sleep, keep it tighter than a vise grip  
The beat is knockin' on yo' head like a nightstick  
Started outta South Gate, nowadays I'm worldwide  
Gotta keep a loaded .45 on the 405  
I keep my eyes wide, so think before you try  
Anything can happen in the city, boy, it's do or die  
Where we're from, we had to choose a side  
But this music took us levels only few could rise  
Shit blew my mind  
The streets dangerous, that ain't changin'  
Better watch what you cats be in the papers

All I smoke is OG, ridin' 'round low-key  
Higher than the nosebleeds, reppin' L.A., that's the home team  
L.A. original, gangsta, gangsta, gangsta  
All I smoke is OG, ridin' 'round low-key  
Higher than the nosebleeds, reppin' L.A., that's the home team  
L.A. original, gangsta, gangsta, gangsta

O-, O-, O-, Orig-, O-, O-, Original, huh  
Orig-, O-, O-, Original
