

D-12, Fuck Ajaye

I got out of my viper,
saw this beautiful girl.
See her name was Shannon
and her hair had curls.

When she looked at me
on my face was a smile
But i had to go
And on the next day i saw her on walmarts 9th ile.

See i was walking to ask
if she single in any way
But when i was 2 feet away from her
A guy came right in the middle of us and kissed her
when it was my so call lucky day.

Man f**k Ajaye.
Ya i found his name out.
I'm gonna jump that little mother f**ker
Then i'm gonna give Shannon a shout.
F**k Ajaye
