

# D-12, Lies And Rumors

Here we go...

[Chorus]

They say that one little lie turns into another, then you go and cheat  
By the time you know it, you are wrapped up in a whole bunch of seaweed  
You shoulda listened to your mama, and listened to your daddy, when they tried to speak  
And tell you that there's just too many fishes in the sea

[repeat 8X]

No, no, no, no, no, no, no, no

[Kon Artis]

Now this thing here, it may cause concern, but  
It's just a little story bout a shark eatin worms  
It's, not a riddle, but subliminally catches on  
How one little lie can turn into a bigger one  
When I was a young, guppy in the sea  
You could see all the bigger fish pickin on me  
Cause they knew I didn't really have the guard or bullet  
And the other sharks that have teeth sharper than me  
I'm a never-endin story about a shark this big  
The load of kids that got an act for fizz  
So sit back, kick back with a bag of chips  
While I tell you bout something stupid I did...

[Chorus]

[Proof]

I'm off to work but I'm late (hey) but what can I say? (hey)  
I'm cool with the boss and then of course it's a payday  
We reachin the weekend and I'll be treatin my baby  
Typical day, dude's in the way " but hey wait!  
Shark's in the water, gotta duck in the corner  
'til I'm caught, I'ma talk and I walk where I wanna  
Hittin the seaweed, sippin this green tea  
Big fish in this small world, they'll all believe me  
For knocking a shark off, protecting my city  
They all grab my CD and now I'm a popular rock star  
Like it or not though I'm a marvelous artist  
Working my hardest and becoming a starfish

[Kuniva]

Now what am I to do? The boss is on my back  
I gotta follow his orders when sharks attack  
It's a dangerous scene, but I'm a Rasta man  
Cross me and my brother, it will cost ya, man  
And this little pipsqueak is gettin' on my nerves  
So my tentacles should give him just what he deserves  
So you better swim fast cause I'm after ya  
And go and hide inside the mouth of a clam or somethin'  
Cause I'm out and about - I'm bad news, a henchman  
A jellyfish with an attitude, so listen  
Swim for your life cause I'm on your tail  
So frightenin I scare a snail out of its shell

[Chorus]

[Swift]

I love this liquid, I'm silly when I'm in it and I bet  
(This water we're standin in is wet)  
Duh! What do you expect from me?  
I'm a platinum Jack Dempsey, trying to get a fee  
And everybody know that I'm the G of the sea  
I just knocked this shark off - the dude tried to eat me

I guess he didn't like me, it might be because I'm a Pisces  
They always try to take me lightly  
So why the trouble? I just wanna hustle  
and multiply bubbles and pump my muscles  
I don't want to make a mistake  
cause these fishermen will set you up, and I ain't fallin for the bait

(Daddy " what are we gonna do with a fish with a tattoo?  
We're gonna eat him. What do you think?)

[Bizarre]  
I'm a lionfish with dreams of makin it big  
House in the ocean, three ugly kids  
And why everybody keep on pickin on me?  
I'm the sexiest, prettiest fish in the sea  
Heck no, I ain't nobody dish  
Cause I'm in love with Angie " the beautiful angelfish  
{\*kissing sound\*} Give me a kiss baby  
I'm running from the white shark, you tryin to make me crazy

[Chorus]

[repeat 8X]  
No, no, no, no, no, no, no, no
