D:a:d, I'd Rather Live Than Die

I've seen the fruits of rambling I know hardship well And if I'm not mistaken I hear a ringing bell I love to start but hate the ends I crack a joke 'coz I know I need my friends Do a lot of talking But seldom with my heart It hurts when people tell me I often play to smart But sometimes I'm happy And sometimes I'm blue You know, I'm only passing trough

A look to the sky is the reason why I'd rather live than die If heaven can wait I know I'll get by I'd rather live than die

I always say yes Though I mean no Remember to draw a circle And then I'll know Sometimes I'm happy Sometimes I'm blue You know, I'm only passing trough

A look to the sky is the reason why I'd rather live than die If heaven can wait I know I'll get by I'd rather live
