## D.A.R.K., Watch Out

something dark in your heart winks at me with a smile simply wrong form the start can't control this desire

we've lost the war the less is more and on and on this demon is taking measures

Watch Out I'm bleeding Watch Out I'm bleeding This time I'm leaving Running form you This time I'm leaving something cruel in your eyes

.... we committed a crime and we have to pay

we've lost the war the less is more and on and on this demon is taking measures

Watch Out I'm bleeding Watch Out I'm bleeding This time I'm leaving Running form you This time I'm leaving
