

# D'Sound, Tattooed On My Mind

Baby you'll soon forget about all,  
or maybe you'll miss it like I do.  
One things for sure Im on a doubt, spend too much time thinkin of you

chorus

And I can't get you out of my dreams  
Now I know that you're the dangerous kind  
And your smile is tattooed on my mind  
And I can't get you out of my dreams

Don't wanna write,  
I don't wanna call,  
I would not know what to say  
It should be you  
Thats how I want it to be  
Tell me you feel the same way

chorus

And I can't get you out of my dreams  
Now know that you're a danger first kind  
And your smile is tattooed on my mind  
And I can't get you out of my dreams...oh!

Oh, Yesterday, I was feelin' safe, oh  
All I do today is tryin to be BRAVE  
and no melody can seem to suit my mind...  
and now I curse you for being so sweet and so kind

chorus

And I can't get you out of my dreams  
Now I know that you're a dangerous kind  
And your face is tattooed on my mind  
And I can't get you out of my dreams..

Yes I know you're tattooed  
On my mind you're tattooed
