

# D12, B.N.U.

Heyyyy Boys and girls! And all you dirty heads out there!  
Lets take a trip to the world of D-12  
The hardest boy band in the world!  
Ha Ha Ha, Straight From... Detroit Michigan  
Come on Follow Us, Come on!

If I could just, take you through  
One thing with, me and you  
You'll see what, I can do  
When I do, what I do  
Then I bet, you will not, bother me  
Like you do, cuz youll find  
You would rather, spend your time B.N.U

(Kon Artis)

You think you know it all dont you dawg all about my life and all  
Why I'm poppin this vicodin and drinkin all this alcohol  
All up in these clubs throwin up like I aint got them all  
But thats just what you see when you see me hangin wit bringin 'em  
Its Funny when I'm bustin my ass for this money and  
You aint never round helpin out but shows you come to them  
Run to them wantin in, 30 Niggaz long when you called me to the door  
I totally ignore your friends and then they talk behind my back again  
I'm back to doin smack again, I have another baby cuz safe sex I aint practicin  
Blazey Bla to squeezey squee, bein fake and Bein me is just your misconception of perception are

If I could just, take you through  
One thing with, me and you  
You'll see what, I can do  
When I do, what I do  
Then I bet, you will not, bother me  
Like you do, cuz youll find  
You would rather, spend your time B.N.U

(Proof)

I aint gotta like you dude, plenty of time to fight you thru  
Arrogant this might be true, smack your bitch slightly boo  
Runnin from the white and blue for blowin up a bible school  
Lemme show what this rifle do, to ill I got a license too  
Nice of you to think I'm not, but I'm ill this true poppin pills shootin guns  
Goin to jail (I'll shit on you), yes I'm lotto touched the wire, fuckin bust a nut in Myers  
Kelly didnt touch that girl, then again I'm such a liar, this is me all day  
You rubbin me the wrong way, listen what the song say and past the fuckin Bombay  
Andele' on the over play for the under play Andre is more swift with gun play  
One day I'm Proof, next I'm Harry, teks I carry on the run way its necessary that my sex is very num  
Hey D-12 we dont play with them gays blame it on our mama's this the way we was raised

If I could just, take you through  
One thing with, me and you  
You'll see what, I can do  
When I do, what I do  
Then I bet, you will not, bother me  
Like you do, cuz youll find  
You would rather, spend your time B.N.U

(Swifty)

They like to know what I can do they aint got the slightest clue  
Question my integrity, I mean it Nigga who is you  
You better be prepared for beef we dont need a new recruit  
Blow a hole inside of Niggaz bigger than a hoola hoop  
See I know the Business, who the hell you talkin stupid too?  
Fuck you up have your face lookin like a rubix cube  
You can walk the good with me, we can take an acid break  
All you gotta do is chew, tablet Nigga have a drink, gamble

Wit us, rob a bank (Man this shit aint new to you)  
What the fuck you Niggaz think, I can shoot at Muslims too  
Nigga hey what about that pretty bitch you call your wife, I'ma hit it Nigga  
I been suckin titties all my life, stealin shit and startin fights  
Pissin on your lawns at night, we hard to get along wit  
Stay honor it like dolomite, Nigga you can be polite, I dont talk to people right  
And so does the rest of us, you hatin us cuz we alike

If I could just, take you through  
One thing with, me and you  
You'll see what, I can do  
When I do, what I do  
Then I bet, you will not, bother me  
Like you do, cuz youll find  
You would rather, spend your time B.N.U

(Bizarre)  
Hey boys and girls, takin drugs is real cool, hangin out in the nude  
Actin like a damn fool, its the big guy with the shower cap, kickin sick raps  
Talkin bout fuckin kids in the ass crack, never mind Bizarre, you know he's on medication  
Smokin weed, drinkin brew, third grade education, all in your house, blunt in my mouth  
Call you a bitch and pee on your spouse

(Kuniva)  
Look I dont like the chitter chatter, ask the faggots if it matters  
Then I'd have to splatter rappers just for actin target practice  
Time for action, I'm Kuniva, (Punk) the wet vagina finder, (Punk) so never mind your rhymin  
Chumps you might see me behind a pump and yes it damages  
And puts Niggaz in bandages and yes I love my pistol like Bizarre loves all his sandwiches  
Business is strenuous you fuckin wit some geniuses so many people on my nutz  
I wonder how my penis is, girls are prudent wit bodies like Venus and Serena's is  
I turn 'em down my wife'll kill me if she every seen this shit, I mean this shit  
I'm silly man, I'm smart I'm really ignorant I'm innocence and guilty at the same time  
Go and figure it

If I could just, take you through  
One thing with, me and you  
You'll see what, I can do  
When I do, what I do  
Then I bet, you will not, bother me  
Like you do, cuz youll find  
You would rather, spend your time B.N.U
