

# D12, Purple Pills

[Eminem]

Uh... yo yo yo... yo

I take a couple uppers, I down a couple downers  
But nothin' compares to these blue and yellow purple pills  
I've been t' mushroom mountain, once or twice but who's countin'  
But nothin' compares to these blue and yellow purple pills

(Yo, yo)

Cool, calm, just like my mom  
With a couple of valium inside her palm  
It's Mr. Mischief with a trick up his sleeve  
To roll up on you like Christopher Reeves  
I can't describe the vibe I get  
When I drive-by six people and five I hit (Woops)  
Aww shit, I started a mosh pit  
Squashed a bitch and stomped her foster kids (Argh!)  
These 'shrooms make me hallucinate  
Then I sweat till I start losin' weight  
Till I see dumb shit start happenin'  
Dumber than Vanilla Ice tryin' to rap again  
So bounce, bounce, come on bounce  
"[Gunfire]" I said come on, bounce!  
Everybody in the house with a half an ounce (Me!)  
Not weed, I meant coke, dumb-ass sit down  
We don't bullshit, better ask around  
D12 throws the bombest bash in town  
Bizarre, your mom is passin' out  
Get her ass on the couch 'fore she crashes out (Come on!)

[Kon Artis and Kuniva]

Fuck that, someone help Denaun  
He's upstairs naked with a weapon drawn  
Heh, hey Von you see me steppin' on these leprechauns?  
It gotta be acid cause the X is gone  
Yeah I took 'em all, dog, with some parmigian'  
And I think my arm is gone - Naw, it's probably numb  
Young, dumb, and full of cum  
And I think he 'bout to swallow his tongue  
Scary-ass it was a false alarm  
You think I'm 'bout to die when I just got on?  
Yo, stop actin' stupid  
You so high that you might wake up with a guy on some new shit (Eww!)  
Yeah, I think I did too much  
This substance equals cuffs  
Red pills, blue pills, and green  
Big pills (that's ill), mescaline!

[Eminem]

Dirty Dozen, eighty of us, Shady brothers, ladies love us  
That's why our baby' mothers love us but they hate each other  
They probably wanna take each other out and date each other  
Ssomethin', some'in, some'in, some'in, some'in, "[mumbling]"...

[Proof]

Pop pills; pills I pop  
Pop two pills, on stilts I walk  
Snort two lines that were filled with chalk  
Thought I was Incredible and killed the Hulk

I wanna roll away like a Rollerblade  
Until my eyes roll back in my skull for days  
And when I'm old and gray, look for dope to smoke  
No okey-doke, I'm packin' my nose with coke  
(Cough cough cough) am I supposed to choke?  
Had an accident when the Trojan broke  
Aww, poor baby, born by whore lady  
Now I gotta strangle a (You're crazy!)

[Swiftly McVay]  
I pop fo' Es at one time  
And I don't need water when I'm swallowin' mine  
(Yeah, you got any 'shrooms?) Does Bizarre smoke crack?  
We can't get jobs 'cause our arms show tracks  
Why the hell you niggas think I rap?  
We do it just to get your company hijacked  
And if you like smack (uh-huh) then I might too  
(Swift, chill) I just wanna get high like you! (Eww)  
And I don't give a damn if they white or blue (Uh-huh)  
Speed, 'shrooms, down to valiums (Uh-huh)  
Even smoke weed outta vacuums  
I just copped some and I'm goin' back soon

Gin and tonic demonic, body smell like vomit  
Pussy poppin', acid droppin', dope-headed guy  
Heroin mescaline, pencil-legs, wanna try?  
Blue pills, golden seals, got Bizarre actin' ill
