

# Da Vinci's Notebook, Fish Sticks

Have you ever heard a song about fish sticks?  
It won't take me long to tell you 'bout fish sticks  
Not many people write a little ditty 'bout fish sticks

Don't go tellin' all your friends about fish sticks  
Because I don't want their grubby hands on-a my fish sticks  
I can get quite nasty if you mess with my  
Little fishy-ishy delights

Fish sticks in the oven  
Fish sticks in the pan  
Fish sticks in the letter that I got from Ed McMahon  
Mama's little baby loves fish sticks

If you happen to buy a package of fish sticks  
You better make sure you keep your eyes on those fish sticks  
'cause I'm gonna warn ya'  
Buddy, I'll sneak up on ya'  
'cause I want all the fish sticks in the world  
Just for me  
(I eat them while watching TV)
