

Daan, Housewife

Housewives

My kind of women

Don't act like a housewife

But be a housewife

Breathe like a housewife

Walk like a housewife

But don't just act like a housewife

Have dinner ready

Prepare yourself

Touch up your make-up

Put a ribbon in your hair and be fresh looking

He has just been with a lot of work worry people

Be a little gay, little more interesting

Prepare the children

Take a few minutes to wash the children's hands and faces

Comb their hair, and if necessary

Change their clothes

Minimize all noise

Eliminate the noise of the washer, dryer, dishwasher, vacuum

Eliminate the noise, (quiet) paradise on earth

Try to encourage the children to be quiet

Don't greet him with problems or complaints

Don't complain if he is late for dinner

Arrange his pillow and offer to take off his shoes

Speak in a low, soft, soothing and pleasant voice

Listen to him

You may have dozens of things to tell him,

but the moment of his arrival is not the time

let him talk first

Never complain if he does not take you out to dinner or other pleasant entertainments

Like getting drunk

Yeah, just like getting drunk

Cadillac's, Chryslers, fords, Toyotas, Mercedes

In the modern world, everyone knows the price of almost everything,

But few the value of anything

Many value the valueless, but do not price the priceless

Who can find a virtuous woman?

For her price is far above Cadillac's, Chrysler, fords, Toyotas, Mercedes

Maybe I forgot a few brands, but then don't worry

It'll come back soon

Little good things are simply ignored

A good husband is a faithful man

A faithful man is not always a good husband

A husband today is a man who has a funky housewife

Good

Little keys open big doors

Little doors open big keys

Large crowds, huge sums of money, spectacular accidents and shocking scandals

The love for her husband is deep

She would often do things for her husband

Without ever asking him anything in return or even expecting him to know what she has done for him

However, long she has been married to her husband, she treats him with respect and tenderness

And she always dresses herself neatly and pleasantly, never extravagantly, nor vulnerably, nor Gu

My kind of women, housewives

Respect and tenderness, respect and tenderness

To be lonely, without being alone

Is a bitter loneliness

To be alone, without being lonely

Is sweet solitude

Loneliness is one of the most unnoticeable,

Fresh food and cold beer

And yet one of the most cruel punishments,

Any human being could ever suffer

Irrespective of one's race

And the infinite joy and learning
By her example she inspires her husband to be just and kind to all people
And to live a cool and meaningful life
She greatly helps him to do more and better work
And with greater fun and energy
She makes him feel he is among the blessed of men
She is her husband's comfort and consolation
She is his source of joy and peace
A sort of joystick
Better than any drug, she is his paradise on earth
Any human being can ever suffer
Irrespective of one's races, religion, national origin, sex and even health and wealth
I am hungry, feed me now
loneliness is suffered countless, millions throughout the world
so damn hungry, feed me now
solitude is quiet, another thing
please lady
no buildings, no pools, no gardens, no ever big and expensive
can ever replace the tender love, the true affection, the respect and cool funky feeling
that the young accord to the old, honor thy father and thy mother, if by motorbike
therefore, those fine housewives serve their parents in their own homes
with love, respect and devotion, fresh food and cold beers are truly among the best of mankind
