You ain't gotta tell me what happened I'm gon watch on the TV to make sure it's real
Ooh they got the nigga up outta here the niggas that used to step for me boy they got skills
You know ain't no checkin me no deal

You ain't gotta tell me what happened I'm gon watch on the TV to make sure it's real
Ooh they got the nigga up outta here the niggas that used to step for me boy they got skills
You know ain't no checkin me no deal

Call Of Duty pass the stick gotta do him crash the whip I just sent them on a drill
You ain't gotta tell me what happened I'm gon watch on the TV to make sure it's real
