

DaBaby, iPHONE (ft. Nicki Minaj)

it's so no point
like it's so musically correct
I don't wanna clash
like I am tryna just put like
that's what I'm sayin
sethinthekitchen
tn up

I am tryna stay up off my iphone
told my bitch I love you
tht was just a typo
that bitch drive me crazy
she gon' make me psycho
everything I been through
it's something only I know

I am tryna stay up off my iphone
told my bitch I love you
tht was just a typo
that bitch drive me crazy
she gon' make me psycho
everything I been through
it's something only I know

(zwr. 1)

I am tryna stay up off my iphone
told my bitch I love you
tht was just a typo
that bitch drive me crazy
she gon' make me psycho
everything I been through
it's something only I know

I am tryna stay up off my iphone
told my bitch I love you
tht was just a typo
that bitch drive me crazy
she gon' make me psycho
everything I been through
it's something only I know

[Nicki Minaj:]
i am about tell me dude i love him
then I am gonna dump him
ause to be honest
I put my side nigga above him
tell him that I know he creepin whit that ho
middle finger, fuck you
who the fuck is you
(...)

I am tryna stay up off my iphone
told my bitch I love you
tht was just a typo
that bitch drive me crazy
she gon' make me psycho
everything I been through
it's something only I know

I am tryna stay up off my iphone
told my bitch I love you
tht was just a typo
that bitch drive me crazy

she gon' make me psycho
everything I been through
it's something only I know
