

Dada, Are We In Love Again

Monday was our big disaster
Tuesday we fell back in bliss
Wednesday you were through
'Til Thursday night when you adored me

I'm either walkin' through your field of eggshells
Or skating down your street of dreams
I don't mean to stir this pot of gold
But there's one thing I've got to know this morning

So, are we in love again?
Is it off? Is it on?
Are we going? Am I gone?
Are we in love again?
Is it wrong? Is it real?
Baby, tell me what to feel
And I will pretend
That you meant what you said
And we'll jump back into bed
I don't want it to end, so
Are we in love again?

Sometimes I get the strangest feeling
That we have both been here before
And I don't want to spoil your meal
But babe, how do we feel this evening?

So, are we in love again?
Is it off? Is it on?
Are we going? Am I gone?
Are we in love again?
Is it wrong? Is it real?
Baby, tell me what to feel
And I will pretend
That you meant what you said
And we'll jump back into bed
I don't want it to end, so
Are we in love again?

'Cause your love's like a rain fallin' down on me
Yeah, it feels so good and it feels so free
And I can't escape
An' there's no one like you that can turn me on
When we're lyin' here in the naked dawn
I can see forever now

(solo)
So, are we in love again?
Is it off? Is it on?
Are we going? Am I gone?
Are we in love again?
Is it wrong? Is it real?
Baby, tell me what to feel
And I will pretend
That you meant what you said
And we'll jump back into bed
Will this ever end?
So, are we in love again?
Are we in love again?
Are we in love?
