

# Dada, Do It

I'm gonna open up for you  
I'll be your flower in bloom  
I'll open up for you  
Do it for me too

I'm gonna purr like a cat for you  
I'll be the pet in your bedroom  
Gonna purr like a cat for you  
You do it for me too

Do it  
Do it  
Do it

I'm gonna roll the dice for you  
I'll be so lucky, you'll never lose  
I'll roll the dice for you  
Do it for me too

I'm gonna part the crowds for you  
They'll all stand back when you walk through  
I'll part the crowds for you  
Do it for me too

Do it  
Do it  
Do it

Tucson, good to be somewhere  
Washington, gotta be somewhere  
All night long (I belong)  
Gotta be somewhere with you

Gonna open up for you  
I'll be your flower in bloom  
I'll open up for you  
Do it for me too

Do it, do it  
Do it, do it  
Do it, do it  
Do it, do it
