

# Dada, Hollow Man

There's a fire in my head  
Shines out my eyes  
There's a fuse in my mind  
Burns down my spine

Nobody sees it, but I'm hollowed out  
Nobody feels it, but I'm hollowed out

It's funny to me  
How a fire needs to breathe  
Must be a new kind of flame  
Feeds off my pain

Nobody sees it, but I'm hollowed out  
Nobody feels it, but I'm hollowed out

Hey, hey, hollow man  
Hey, hey, I'm a hollow man  
I got nothing inside to hurt me again  
Hey, hey, I'm a hollow man

Hollow, Hollow (Ah-ha, Hollow)  
Hollow, Hollow (Hollow, Ah-ha)  
Hollow (Hollow, Hollow)

There's a fire in my head  
Shines out my eyes  
No worries weigh on my mind  
Fate is deaf, dumb and blind

Nobody sees it, but I'm hollowed out  
Nobody feels it, but I'm hollowed out

Hey, hey, hollow man  
Hey, hey, I'm a hollow man  
I got nothing inside to hurt me again  
Hey, hey, I'm a hollow man, yeah

Hollow, Hollow (Ah-ha, Hollow)  
Hollow, Hollow (Hollow, Ah-ha)  
Hollow, Hollow (Hollow, Hollow, Ah-ha)  
Hollow, Hollow (Hollow, Hollow, Ah-ha)  
Hollow, Hollow (Hollow, Hollow, Ah-ha)  
Hollow, Hollow (Hollow, Hollow, Ah-ha)
