

Dada, Hollow Man

There's a fire in my head
Shines out my eyes
There's a fuse in my mind
Burns down my spine

Nobody sees it, but I'm hollowed out
Nobody feels it, but I'm hollowed out

It's funny to me
How a fire needs to breathe
Must be a new kind of flame
Feeds off my pain

Nobody sees it, but I'm hollowed out
Nobody feels it, but I'm hollowed out

Hey, hey, hollow man
Hey, hey, I'm a hollow man
I got nothing inside to hurt me again
Hey, hey, I'm a hollow man

Hollow, Hollow (Ah-ha, Hollow)
Hollow, Hollow (Hollow, Ah-ha)
Hollow (Hollow, Hollow)

There's a fire in my head
Shines out my eyes
No worries weigh on my mind
Fate is deaf, dumb and blind

Nobody sees it, but I'm hollowed out
Nobody feels it, but I'm hollowed out

Hey, hey, hollow man
Hey, hey, I'm a hollow man
I got nothing inside to hurt me again
Hey, hey, I'm a hollow man, yeah

Hollow, Hollow (Ah-ha, Hollow)
Hollow, Hollow (Hollow, Ah-ha)
Hollow, Hollow (Hollow, Hollow, Ah-ha)
Hollow, Hollow (Hollow, Hollow, Ah-ha)
Hollow, Hollow (Hollow, Hollow, Ah-ha)
Hollow, Hollow (Hollow, Hollow, Ah-ha)
