

Dada, Nothing Like You

Nothing like you, yeah
There's nothing like you
Nothing like you, yeah
There's nothing like you

Every morning, there's a sermon
Always something I'm not learning

Nothing like you, yeah
There's nothing like you
(doo doo doo doo, doo doo doo doo)
There's nothing like you, yeah
There's nothing like you
(doo doo doo doo, doo doo doo doo)

Nothing's certain, life's a curtain
I hide behind it when I'm hurtin'

There's one thing I'm sure of
There's one thing I'm sure of
There's one thing I'm sure of

Nothing like you, yeah
There's nothing like you
(doo doo doo doo, doo doo doo doo)
Nothing like you, yeah
There's nothing like you
Oh yeah, there's nothing like you
(doo doo doo doo, doo doo doo doo)

(solo)

There's one thing I'm sure of
One thing I'm sure of
There's one thing I'm sure of

Nothing like you, yeah
There's nothing like you
(doo doo doo doo, doo doo doo doo)
Nothing like you, yeah
There's nothing like you
(doo doo doo doo, doo doo doo doo)
Nothing like you, yeah, there's nothing like you
Oh yeah, there's nothing like you
Oh yeah, there's nothing like you
Oh yeah, there's nothing like you

Doo doo doo doo, doo doo doo doo
Doo doo doo doo, doo doo doo doo
Doo doo doo doo, doo doo doo doo
Doo doo doo doo, doo doo doo doo
