

Daddy Yankee, Bring It On

(feat. Akon)

[Daddy Yankee:]

Cartel

Big Boss

Las palabras advertidas en esta cancion

No se solidarizan con ningun cobarde {cobarde} en la calle

Pero si con El Cartel Records

Daddy Yankee, Akon y todos los afiliados mundialmente.

[Chorus: Akon]

I got my heat; I got my block

and enough heart to break all yalls jaws.

But I rather round my nigga from Puerto Rico

to help me out with this one.

Now bring it on

Now bring it on

Now bring it on

Now bring it on

[Daddy Yankee:]

Oye estas bregando con los anormales

Somos, de los juguetes espaciales

Ya no le temo ni a los tribunales

Este quien van amedrentar con los metales, boy.

Me pone Daddy Yankee man

Ponte las pilas se tienes guille de Superman

Que rumba el cielo te puedo pone a volar

En guerra avisada coquiera todavia muere gente porque

I got my - up in fire

You better get out of my way b/c a rider

At any time in the morning or in the evening

I splurge till you retire.

Lets go, nosotros estamos dispuesto

En esto nosotros somos expertos

B/c we are doing this everyday...

[Chorus: Akon]

I got my heat; I got my block

and enough Heart to break all yalls jaws.

But I rather round my nigga from Puerto Rico

to help me out with this one.

Now bring it on

Now bring it on

Now bring it on

[Daddy Yankee:]

Que tu me vas hacer? si yo se que a ti te pario la fecas

Pon las balas donde tu pones tus palabras

Vamos a ver de que tu estas echa muneca

(I smell a Wagnsta) Tu eres tremendo bobolon, pa.

My English, tambien my broken Spanish

The sound of _ is a universal language cuz

I got my - up in fire

You better get out of my way b/c a rider

At any time in the morning or in the evening

- till you retire.

Lets go, nosotros estamos dispuesto

En esto nosotros somos expertos

B/c we are doing this everyday...

We are ready man Dont get it fucking twisted
We can get a ticket and fly up there and give you a visit in the cold and we can turn it into heat
Eso es bien facil pa nosotros.
