Hey!!!
So what? You're going down mama?
Hey!!!
So what? You break it down mama?
Do it! (Hit me!)
I like the way you do it! (Hit me!)
You like the way I do it? (Hit me!)
I like the way you do it!

Ensea todo lo que tienes, no improvisa lo que ella tiene
Este toque es quien lo detiene? Aunque nos tire la ley
Salvaje vine rebelde, el leon sale hasta que te muerde
Tu sabes que yo tengo un partner, no perdamos este break

El golpe bien duro te pega!
Si es que pega!
Yo se que asi te lo vives!
El toque es electrico, magnetico, perreo cybernetico (yeah!)

Estas calentandote, yo calentandome
Me dice que te pasa a ti, eso lo quiero ver
Que pasa cuando te pego duro contra la pared?
Se produce El Impacto baby just...

Wind it up!
Just Wind it up!
Just Wind it up!
Just wind it! (Let's go!)

Wind you up!
I wind you up!
I wind you up!
Baby wind it! (Let's go!)

No resbalas, cuando te acorralas
Tu me das la liga como Dallas
Mira si eres mala

Que me pega la cintura de hule!
Para que me cure dando palos como los azules
Raymond Ayala, el que nadie iguala
Y no para! La hice que sudara, con esa ropa cara!
Estamos dando a la calle el estilo del barrio dale mami just...

[Fergie:]
You know what happens when I step into the place
Fergalicious for the ones who get a taste
But they know I ain't promiscuous
The way I shake it up in this
The ladies don't know real from the fake
You got a problem? Come and say it to my face!
