They say the soul snatcher's coming  
To snatch our spirits from the club so we can  
Get away, get away, get away  
For all those caught up in the hatrix  
And not tryin' to practice love, we can  
Get away, get away, get away  
Gotta build our records stronger  
Make them faster for the show, we can  
Get away, get away, get away  
Come on, let's fly to Paris  
The city in the bubble, so we can  
Get away, get away, get away

Work it harder, make it better, do it faster makes us stronger  
More than ever, hour after hour, work is never over
