

Dag Nasty, Lie Down And Die

I just got hit by a ton of bricks
But I won't lie down
While I'm alive I'm gonna get my kicks
I won't lie down
I'm old and dirty from the wrong side of town
I won't lie down
Ain't got no money to throw around
I won't lie down
Doctor says I'm living on borrowed time
But I won't lie down
Get so sick my baby cries
I won't lie down
My head is spinning and my legs are weak
But I won't lie down
I smoke and drink till my heart stands still
But I won't lie down
I won't lie down and die
No I won't lie down and die
I won't lie down and die
No I won't lie down and die
Now I've seen heaven and I've seen hell
But I won't lie down
ain't ready to hear that old church bell
I won't lie down
Fire your gun, drop your bombs
But I won't lie down
I'm gonna be around till kingdom come
I won't lie down
I won't lie down and die
No I won't lie down and die
I won't lie down and die
No I won't lie down and die
