

Daiquiri, Snowman

It's gonna SNOW MAN
I'm talking BLOW MAN
My nose a blizzard on the inside
It all belongs to me
My God it's just like 1980s
I don't need sobriety
It's all uncut COACH
I've got the COKE COACH
My nose a blizzard on the inside
It all belongs to me
White lines and all the disco
VICE, ICE
I don't need sobriety
I've got the coke coach
Let's build a snow fort
It's in my nose throat
Even my eyes choke
