## Daisy Chainsaw, Hope Your Dreams Come True

Hello I'm you're saviour you're such individuals everyone agrees it's going to feel so good now I'd pay a high price to feel nothing at all I hope all your dreams come true {chorus}(repeat) you're sympathy I don't need my brick wall it stays up it took so long to build {chorus} people all need a hero to touch they're souls is easy I hope all your dreams come true If they don't what will you do?
