## Daisy Chainsaw, I Feel Insane

My skin is itching all I can do is scratch they keep on niggling maybe I'm insane

'cause I refuse it they nearly got me down they're shaking their heads they feel that I'm insane

and does it matter who is right or wrong I look for something before I go insane

to be like they say I lose my something grin and then I'll know what it is to be insane

I'm getting (fucking)older but still I'm hanging on the world gets weirder or maybe I'm insane
