## Dakona, You Don't Need To Bother

Wish I was too dead to cry The self affection fades Stones to throw In my creating Massive kicks to which I cater

Chorus: You dont need to bother I dont need to breathe I'll keep slippin father But once I hold on I wont let go till it bleeds

I wish I was too dead to care If indeed I cared at all Never had a voice to protest So you fed me shit to digest I wish I had a reason My flaws are open season For this I gave up trying One good time deserves my dying

Chorus

Wish I died instead of lived Zombie hides my face Shelf forgotten with its memories Diaries left with cryptic entries

Chorus x 2
