

Dala, Out Of Time

Where's the love song
to set us free
Too many people
down, everything turning
the wrong way 'round
and i don't know what
love would be
but if we stopped dreaming
now Lord knows we'll never
clear the clouds.

And you've been so busy lately
that you haven't found the time
to open up your mind
and watch the world spinning
gently out of time.

Feel the sunlight
on your face
it's in a computer
now gone on a future
way out in space

And you've been so busy lately
that you haven't found the time
to open up your mind
and watch the world spinning
gently out of time

Tell me I'm not dreaming
but are we out of time
out of time
out of time
out of time
