

# Dala, Out Of Time

Where's the love song  
to set us free  
Too many people  
down, everything turning  
the wrong way 'round  
and i don't know what  
love would be  
but if we stopped dreaming  
now Lord knows we'll never  
clear the clouds.

And you've been so busy lately  
that you haven't found the time  
to open up your mind  
and watch the world spinning  
gently out of time.

Feel the sunlight  
on your face  
it's in a computer  
now gone on a future  
way out in space

And you've been so busy lately  
that you haven't found the time  
to open up your mind  
and watch the world spinning  
gently out of time

Tell me I'm not dreaming  
but are we out of time  
out of time  
out of time  
out of time
