

# Dalbello, Still In Love

Perfectly alone  
For the lady in waiting  
And it's just another day  
In the game of separating  
It's a quarter after midnight  
And I'm half-past-out-of reason  
So here I go again... here I go again  
Coming around for more

## CHORUS

You know that I'm Still In Love with you  
And I'm coming around for more  
You know that I'm Still In Love with you  
And I'm coming around for more  
You know that I'm Still In Love with you  
Just like the way it used to be

Picture us alone  
And it don't take much to please me  
If you promise not to tell  
We could take it nice and easy  
It's a quarter after midnight  
And I'm half-past-out-of reason  
So here I go again... here I go again  
Coming around for more

## CHORUS

Don'tcha know that I'm Still In Love with you  
And I'm coming around for more  
You know that I'm Still In Love with you  
And I'm coming around for more  
You know that I'm Still In Love with you  
Just like the way it used to be

## BRIDGE

It's been so long  
We'll have a rendezvous...  
I'll be alone with you until the feeling starts to rise  
Still in love  
And when the lights are low...  
We're gonna rodeo and take it oh so slow
