

# Dallas Frazier, Touching Home

(Today I can feel it touching home)

Today pain became a real life's hurtin' thing

And the choir of loneliness sang me a song

Now I know what it means to lose a lifetime dream

Cause today I can feel it touching home

No longer do I wonder why men have lost their minds

Or wind up in a jungle of flashing neon signs

Now I know what it means to lose a lifetime dream

Cause today I can feel it touching home

[ piano ]

No longer do I wonder why men have lost their minds

Or wind up in a jungle of flashing neon signs

Now I know just how long a man can last when love is gone

Cause today I can feel it touching home cause today I can feel it touching home
