

Dallas Green, Hello, I'm In Delaware

So there goes my life,
Passing by with every exit sign.
It's been so long,
Sometimes I wonder how I will stay strong.
No sleep tonight,
I'll keep on driving these dark highway lines.
And as the moon fades,
One more night gone, only twenty more days.

But I will see you again,
I will see you again,
a long time from now.

And there goes my life,
Passing by with every departing flight.
And its been so hard,
So much time so far apart.
And she walks the night.
How many hearts will die tonight?
And will things have changed?
I guess I'll find out in seventeen days.

But I will see you again,
I will see you again,
a long time from now.

My body aches,
And it hurts to sing.
No one is moving.
And I wish that I weren't here tonight,
But this is my life.

And I will see you again,
I will see you again,
a long time from now

And I will see you again
I will see you again a long time from now
