## Dallas Green, How Come Your Arms Are Not Aro

You could have the sun You could have the water This I'd give to you You could be the moon You could be the harbour I arrive to You could come over uninvited You said I'm the one The one to hold you Does that go for others too

No surprise x 3

Yesterday around 4.AM I thought about you for a minute or two I know it's no good I feel so lonely Sleeping without you How come your arms are not around me I said i'm the one the one to hold you But I guess he said that too
