

Dallas Green, Missing

So, now you're not there,
but your ghost still burns in the air.
And finally above us the waves have come,
to take you away.

And with this song, I'll say good bye,
and thank you for what you've done to my life.
And finally, I'll say it with love.
I hope you rest, in the stars above.
And I don't understand what you died for.
We still could have given so much more.
Even though you were something I could never be.
I know you're still there watching over me.
