

Dallas Green, Serravalle

So, now you're not there
But your ghost still burns in the air
Finally above us the waves have come
To take you away

And with this song, I'll say goodbye
and thank you for what you've done to my life
Finally I'll say it with love
I hope you're at rest in the stars above

And I don't understand what you died for
We still could have given so much more
And I know you are something I could never be
But I know you're still there watching over me

now (x4)
