

Dallas Green, Tribute To Ralph

So.....now you're not there,
But your ghost, still burns in the air.
Finally above us the waves,
have come,
To take you away.

And with this song,
I say goodbye, and thank you for, what you have done to my life.
And finally I'll say it with love.
I hope you're at rest,
In the stars above.
And I don't understand what you, died for.
We still could have given, so much more.
And though you were something I could never be.
I know you're still there watching over me.
And now...
Now...
Now....
Now....I know.
