

Dam Funk & Snoop Zilla, Do My Thang

Let me do my thang
?Cause I?mma do my thang
Let me do my thang
(Do your natural thang)
Can I do my thang?
Let me do my thang

Stay on the low, we get it anywhere that we go
Let me do my thang
New gators on my feet, rollin up and down the streets
Let me do my thang
I bust a new batch, get it back just like that
Let me do my thang
I?m hard in the bank, never say what a nigga can?t
Do my thang, do my thang
Yea I?mma do my thang

Stay on the low and get it anywhere that we go
Let me do my thang
New gators on my feet, rollin up and down the streets
Let me do my thang
Keep it on the low and get it anywhere that we go
Let me do my thang

Get a biatch, got a biatch
This shit, yea I got a lot of it
Money up, nah money back
I don?t tolerate none of that
Fill half a C and enjoy
And roll wit your motherfuckin homeboys
Dam-Funk drive the car
I?m smoking that blaze up like by afar

Do my thang
Yea I?mma do my thang
Let me do my thang
Stay on the low and get it anywhere that we go
Let me do my thang
New gators on my feet, rollin up and down the streets
Let me do my thang
Keep it on the low and get it anywhere that we go
Let me do my thang
