

# Damhnait Doyle, Learn To Crawl

me, I never keep any secrets from myself  
I think I like the shame  
just to say the words to the ones that I've hurt  
it kills my pain

these are my hands that have  
touched another man  
these are my feet that are  
drawn to the quick sand

chorus  
I want to break  
I want to fall  
to be cut by  
the jagged edges as I  
learn to crawl

I'm not the one you think I am  
I'm not the one you need  
I'll only make you bleed

I'd give up everything I have  
give up everything I am  
to want you, the way you want me

these are my arms  
that have held another tight  
these are my lips  
that he kisses well into the night

chorus

and yet he turns me so  
I'll easily forget  
all I have ever known

chorus out
