

# Dami Im, Paper Dragon

Colour me in s  
scribble me out  
tear me up  
Throw me out  
Colour me in s  
scribble me out  
tear me up up up into tiny pieces  
you say i am nonsense

figure me out  
analyse me  
scratch me out  
start again  
figure me out  
analyse me  
scratch me out up into tiny pieces  
you say i am useless

well,  
you try to stapm me out  
but i;ll come to life  
you never try to burn me up  
but i'll never die
