

# Damian Marley "Jr. Gong", Confrontation

Mr. President, Distinguished delegates...

[H.I.M. Haile Selassie I dialect]

[Bunny Wailer dialogue]

Since the beginning of modern civilization  
Generations have witnessed and inherited the only conflicts of world wars  
But behold the marriage supper of the lamb and the bridegroom onto his bride  
Then shall the earth's children know the true expression of ONE LOVE  
Then mother earth shall honeymoon in peace.  
Forever eliminating the aspirations, lust and anguish of wars and rumors of wars...SELAH!

[Verse 1]

See it deh know the innocent going up in vapors  
And propoganda spreading inna the sunday papers not even superman coulda save you with him  
Red-a Judgement a blaze, blaze ya  
And Babylon a gamble the youth dem life like racehorse  
And gi dem a uniform and a shave dem head with razors  
And now the clock a strike war, don't be amazed cause

[Marcus Garvey dialogue 2]

If you cannot do it, if you are not prepared to do it...then you will die.  
You race of cowards, you race of imbosiles, you race of good for nothings  
If you cannot do what other men have done  
What other nations have done, what other races have done  
Then you yourself shall die.

[Repeat Verse 1]

[Verse 3]

SEE IT DEH NOW...Hey!  
Now wi fore parents sacrifice enough  
Dem blood sweat and tears run like syrup  
Any day a revolution might erupt, and the skys over Kingston lighting up  
For the new generation rising up, of youths now a days weh dem sighting up  
And through reasoning dem biding up,  
Searching for the sign and the sign is us,  
Searching for the truth all you find is us,  
Searching for the troops still behind is us,  
The almighty we recruit and we come from the root  
We build like roach building boot  
Weh just can't done, Rastafari we design tuff  
If a the fight for freedom sign me up  
Cause you Tell-Lie-Vision can't blind me up  
Soldiers and police dem wising up, realizing they're no more right than us  
Realizing there's no use fighting us  
Realizing their opening their eyes to see the same demoralizing life as us  
So we nah tek talk nor smiling up  
Cause the word temper tantrum boiling up,and who...  
Calling the shots and nah bust none  
Controlling the mind of the young, bring down...

Bear famine, no rain nah fall from London to Dadeland mall  
All the son of the virgin bawl, institute of the church IN WAR  
Preaching and researching WAR  
Practice and rehearsing WAR  
Teaching and dem learning WAR  
Instigating and urging WAR  
Always keep alert in WAR  
Cause man will jump out a swerving car  
Now bees and birds IN WAR  
And the freaks and nerds IN WAR  
And the straight and curves IN WAR  
Forward and reverse IN WAR
