

# Damian Rybicki, Watchin' You (Eurovision 2017)

Sometimes I can ...  
When I chase by the night  
But I know, I want see you  
Get out of my mind

Will be rock in the night  
We'll be chasing the light  
As long as you follow my way  
You don't need to be shoot  
I'll be holding you tight  
So come one and get carry the way

Come and take what I give  
I just know what you need  
When you're lookin' at me  
Watchin' You  
Watchin' me  
And stop wasting your time  
If you want to be mine  
When you're lookin' at me  
Watchin' You  
Watchin' me  
When you're lookin' at me  
Watchin' You  
Watchin' me

Now I've got the fever  
I'll be blessed even more  
When you follow the leader  
All ... to my door

Will be rock in the night  
We'll be chasing the light  
As long as you follow my way  
You don't need to be shoot  
I'll be holding you tight  
So come one and get carry the way

Come and take what I give  
I just know what you need  
When you're lookin' at me  
Watchin' You  
Watchin' me  
And stop wasting your time  
If you want to be mine  
When you're lookin' at me  
Watchin' You  
Watchin' me  
When you're lookin' at me  
Watchin' You  
Watchin' me
